

CAUSEWAY CRAFT TRAIL

.....
www.visitcausewaycoastandglens.com/explore/craft-trail

Visit the skilled artisans of the Causeway Coast and Glens as you explore the spectacular landscapes and coastal views that nurture their art. From the rural settings of Aghadowey to the beautiful beaches of Downhill and across to the famous stones of the Giant's Causeway, discover a wealth of creativity that has been unleashed by the stunning landscapes of the region.

The Causeway Craft trail will lead you to discover a whole hidden world away from the well-trodden tourist routes, from traditional farm courtyards and modern studios built in renovated barns to spectacular Georgian country homes, to workshops perched in the green hills of the Causeway Coast and Glens.

You will be spoilt for choice as you explore the works produced by some of the Causeway Coast and Glens' most creative minds. From clean, functional tableware to Celtic-inspired jewellery and from traditional basketry incorporating found objects of the coastline such as driftwood and pebbles, to evocative textiles spun from native breed fibres.
